

Central City
WILDCATS

December 2, 2020

Central City Families,

The District has decided to extend virtual or at-home learning for the week of December 7th. The current at-home delivery of instruction will continue through December 11th. Students should have their computer or tablet and log on to their learning each day. By making this announcement tonight, it is our intent to give families as much notice as possible for next week.

Here are a couple of additional items:

- If your child cannot login due to illness or appointment, please contact the school.
- If your child is having technical issues, please contact the administration (Mrs. Smith, Mr. McLaughlin or Dr. Cronin) and they will work with you to get your child connected.
- We are happy to offer meal pickup and delivery during our virtual learning time. Pickup and Delivery will be available each day, Monday through Friday, between 11AM-12:30PM. Sign up through the Google Survey that was emailed to all families and 6-12 students. Contact Wendy in the HS Office or Denise in the kitchen with questions.
- There will be no in person athletic or fine arts practices or games during this time of at-home learning.

Yours in Education,

Tim Cronin
Superintendent

Amy Smith
Elementary Principal

Jason McLaughlin
MS/HS Principal
