General information

- If the conditions listed below are not met for two times during a winter season, the district may cancel the agreement.
- Snow must be removed before the start of the school day with students. If there is a delay or cancelation, then snow may be removed before the time when students arrive. On a normal school day, snow should be removed by 5:45 AM.
- Per request of the district, sand or salt will be spread on all lots.
- Snow removal includes all the areas around the school that cars park, including but not limited to the following:
 - South Lot- front of building with angled parking
 - West Lot- Door 15 / Student Lot
 - North lot- Greenhouse
 - Far North Lot- Transportation
 - Far West Lot- Around the Howe Building (Access to East and North Overheads)
 - Northeast Lot- Door 6 / Old Gym lot
 - Wildcat Lane
 - Sidewalks around all buildings (schools, playgrounds, Apple Kids, to Ag Building).
 - Sidewalk to Apple Kids
 - Apple Kids Lots- Front and Back
