

Central City
WILDCATS

January 12, 2022

Central City Families,

We are notifying you that one staff member and one student in ninth grade recently tested positive for COVID-19. Your child may have been in the same room, same transportation, and/or extracurricular activity as the confirmed individual.

Guidance from Iowa Department of Public Health (IDPH), “If a case of COVID-19 is identified in a school, exposed students and teachers can be advised to consider staying home in accordance with public health best practices to monitor for symptoms. If a student or teacher becomes symptomatic they should stay home while ill and consider getting tested.” We ask that you monitor your student/s for any symptoms over the next 10 days and to notify the school if they become ill.

Our greatest priority is the safety of our students, staff and community members. Please continue to take necessary precautions to protect yourself and those around you.

Sincerely,

Tim Cronin
Superintendent

Alexis Pieper
Elementary Principal

Jason McLaughlin
MS/HS Principal
