

Central City
WILDCATS

April 11, 2022

Central City Families-

Central City, like most schools in Iowa, has an academic calendar based upon a state-required minimum of 1080 academic hours during the school year. However, Central City has set an academic calendar with significantly more than 1080 hours for the 2021-2022 school year. As a result, we have some flexibility on how many days of school that we are required to have students attend. The district has had five canceled days of school and has had six delayed starts or early release days this year. The district projects to have 1,116 hours of school this year which would be 36 hours over the state requirement.

At the March Board Meeting, the Central City Board approved an updated calendar for the 2021-2022 school year. The Board approved a calendar that does not add any make-up days to the end of the year and maintains Wednesday, May 25 as the final day of school. As a reminder, May 25th will remain as an early dismissal day.

Yours in education,

Tim Cronin
Superintendent

Central City Community School District
