

5th Annual Central City Kids Theatre Camp

"Theatre Skills for Life!"

Central City Parks & Recreation is hosting an educational & fun filled theatre camp! Our summer theatre camp is comprised of one week of theatre instruction for 3rd thru 8th Graders of the 2021-2022 school year! Our focus is to introduce our youth to theatre and help them explore their creative side! The camp ends with a culminating skills showcase on Friday evening for family and friends!

Andy Lesieur returns as our director of the camp! Andy's directing career was launched in 2005 in collegiate level productions, various drama ministries, and eventually landing at Theatre Cedar Rapids in 2012 directing classes and underground productions. In the fall of 2015, Andy directed Cedar Rapids' first ever fully produced full length children's production of *Disney's Cinderella Kids* with an all children cast (except for one adult opera singer in the role of the Fairy Godmother). He produced numerous shows and events for hundreds and thousands of patrons at the Cedar Rapids Public Library. He formerly held the position of Education Chair on the board of the Playtime Poppy Children's Theatre organization, and expanded their educational and theatrical offerings to children of all ages. Andy is a writer, entertainer, and local entrepreneur managing several creative projects and businesses within artistic educational fields. He also runs his own private lesson studio where he teaches voice, piano, cello, and acting lessons to all ages.

Andy Lesieur

This year's camp will focus entirely on specific skill development, ensuring campers will end the week with improved abilities in expression, diction, movement, memorization, character development, and more! The Friday night performance will be a showcase of these learned skills instead of a full production as has been done in the previous camps.

2022 Central City Kids Theatre Camp:

- June 13th – 17th 2022 9:00am – 12:00pm at Veterans Memorial Park in Central City. If weather does not permit us to be outside, other facilities can be accessed.
